

Dear Parent of a First Grader,

A warm and sunny “HELLO” to you and your incoming first grader! We know the 2024-2025 school year will be a great learning experience for your child. Here is a list of supplies needed for first grade to help your child be successful. Please bring the supplies the first day of school. All supplies should be taken out of their packages and put in school box, except crayons, colored pencils, and markers. Please write child’s name on all items and organize the supplies so they fit in the assigned school box.

We look forward to meeting our first graders and families!
