ANNUAL FUND

The St. Mary School Annual Fund directly benefits our students and school community. With the generous support of parents, grandparents, faculty, alums, and friends, we can make improvements to our historic school building and plan for the future. We are grateful. Thank you.

100% of all 2024-2025 Annual Fund gifts will directly support the School Reserve account to pay for school improvements and student programs. Every size gift, big or small, allows St. Mary School to build for the future and focus on imparting a strong Catholic foundation and providing a robust academic education to our students.

The 2024-2025 Annual Fund is earmarked for a school cafeteria makeover to complement the recently upgraded dining tables. Cafeteria refurbishment plans include:

- New flooring
- Cleaning and enhancing walls and ceiling
- Restoration of the historical artwork
- New storage in the kitchen area and the dining area for school/student use
- New side tables for student microwave use
- Updated serving line and other kitchen appliances

**Any surplus in the school reserve after the cafeteria makeover project will support student programming and future school-building capital projects.**

Thank you for investing in St. Mary School's long history of imparting the Catholic faith, instilling holiness, providing academic excellence, and inspiring service to others. Help us celebrate the 2024-25 school year as we rejoice in the knowledge that **"We Are God's Children!"**
